

Kuerkaltio Holiday Village

Head to Ylläs and stay at Kuerkaltio Holiday Village. We offer you high standard accommodation in cosy and well equipped wooden semi-detached or row-house apartments.

We have a warm ski maintenance room and a wooden cabin with a fireplace where you can make coffee or food.

Services, shops and restaurants of Äkäslompolo Village are located nearby. A ski-bus stop with connections to the local skiing resorts is just 200 m away. You can join maintained cross-country skiing tracks directly from Kuerkaltio Holiday Village.

Summer is also a great time to visit Ylläs and Kuerkaltio. You can fish, hike, mountain bike on the fell, take the Holiday Village's boat out onto Lake Kesänkijärvi. Above all enjoy of peace and quiet of the Lappish nature.

Kuerkaltio Holiday Village is easy to reach by car, train or airplane. Transport to Äkäslompolo is available from railway-station and from Kittilä Airport.

Kuerkaltio Holiday Village in the heart of Finnish Lapland

Kuerkaltio Holiday Village is located on the southern side of Kuertunturi fell and looks over a spectacular view. Our apartments are equipped with kitchenware and appliances,

TV, radio, telephone and sauna. The cleaning service at the end of your stay is included in the price of bookings for one week or longer. For shorter bookings we will add a separate cleaning charge. Row-house apartments accommodate up to four persons and semi-detached apartments up to six persons. We can also accommodate groups of 40-50 persons. Catering services can also be provided by request. For more information, please call +358 16 5100100.

Ylläs has something for everyone. The beauty of Lapland's scenery is an unforgettable experience. The landscape, the seven fells

and canyons, rivers and lakes make the area interesting and it is offering a wide range of activities for visitors, at anytime of the year. The fell Ylläs reaches up to 718 m and provides excellent skiing possibilities. Ylläs is the perfect destination for downhill and telemark skiing, snowboarding and, in the summer, hiking on the fells. Ylläs is ideal also for cross-country skiers, boasting more than 330 km of maintained and marked skiing tracks in the heart of Lapland's most beautiful scenery.

Peace and quiet of the wilderness...

Take a break from routines and head to Ylläs. The kindness of people, the wilderness, the cleanness and freshness, and calming peace and

quiet will be good for you. Ylläs offers great experiences throughout the year; music and film events, autumn colours, first snow, minus temperatures, Northern Lights, glittering banks of snow in spring-winter. Summer time with light nights, the Midnight Sun and in the forests hiding treasures, the berries and mushrooms is quite unique. And the reindeers, of course. Each season is worth experiencing!
